Get Kahoot

- Via App Store/Google Play Store
  - For work
  - As player
- Enter (Game) pin: 3576980
  - U moet een gebruikersnaam opgeven (nickname)
  - Wacht tot de vraag op het beamer-scherm vershijnt
  - Daarna hebt u max 30 seconden om de vraag te beantwoorden (op uw mobiel)
  - Slechts één antwoord per vraag is goed
  - Degene met de meeste correcte antwoorden en de minste gebruikte tijd is winnaar

QUIZ
TIME

ProjectWise Search…. admin level

- Simplify the “search”
  - Folder setup
    - No empty folders
    - “smart” views
      - Linked to folders and/or users
    - Difficult to make useful for all type of users
      - Designers needs different setup then typical viewer

 © 2019 Bentley Systems, Incorporated

ProjectWise Search…. admin level

ProjectWise
CONNECT Edition

- Saved Searches
  - Predefined searches by admin (global per Work Area)
    - Available for user as folders
    - Tuned for typical viewer type of user
  - Link specific view to a Saved Search
    - Show only the relevant metadata
    - Very useful for reports
  - Saved Searches can be part of a Work Area template !
  - User can create their own (personal level)

ProjectWise Search….

ProjectWise
CONNECT Edition

- Graphical search
  - Adds a geo location option to the search
    - Almost never the only search criterium
    - Location on map can be linked to folder and vise versa
  - Index server can extract geo location automatically
    - Depends on type of document
